If no daily euro exchange rate is published in the *Official Journal of the European Union* for the currency in question, conversion must be made at the average of the monthly accounting rates established by the Commission and published on its website (http://ec.europa.eu/budget/contracts_grants/info_contracts/inforeuro/inforeuro_en.cfm), determined over the corresponding reporting period.

The beneficiary with general accounts in euros must convert costs incurred in another currency into euros in accordance with their usual accounting practices.

4.7 Language of requests for payments, technical reports and financial statements

All requests for payments, technical reports and financial statements must be submitted in any of the EU official languages.

ARTICLE 5 — PAYMENTS AND PAYMENT ARRANGEMENTS

5.1 Payments to be made

The Agency must make the following payments to the beneficiary:

- one pre-financing payment (no pre-financing payment for Strand 2 Town Twinning (TT))
- one payment of the balance, on the basis of the request for payment of the balance referred to in Article 4.4.

5.2 Pre-financing payment[s]

The aim of the pre-financing is to provide the beneficiary with a float. The pre-financing remains the property of the European Union ('the Union') until it is cleared against interim payments or, if it is not cleared against interim payments, until the payment of the balance.

The Agency must make the pre-financing payment of 60% of the maximum amount specified in Article 3.1 to the beneficiary within 30 calendar days from the notification of the Grant decision, except if General condition n° 24.1 applies.

5.3 Interim payment[s]

Not applicable

5.4 Payment of the balance

The payment of the balance reimburses or covers the remaining part of the eligible costs and contributions for the implementation of the *action*.

If the total amount of earlier payments is greater than the final amount of the grant determined in accordance with General condition n° 25, the payment of the balance takes the form of a recovery as provided for by General condition n° 26.

If the total amount of earlier payments is lower than the final amount of the grant determined in accordance with General condition n° 25, the Agency must pay the balance within 60 calendar days from when it receives the documents referred to in Article.4.4, except if General condition n° 24.1 or General condition n° 24.2 apply.

Payment is subject to the approval of the request for payment of the balance and of the accompanying documents. Their approval does not imply recognition of the compliance, authenticity, completeness or correctness of their content.

The Agency determines the amount due as the balance by deducting the total amount of pre-financing and interim payments (if any) already made from the final amount of the grant determined in accordance with General condition n° 25.

The amount to be paid may, however, be offset, without the beneficiary's consent, against any other amount owed by the beneficiary to the Commission or to an executive agency (under the EU or Euratom budget), up to the *maximum amount of the grant*.

5.5 Notification of amounts due

- (a) The Agency must send a *formal notification* to the beneficiary informing it of the amount due; and
- (b) specifying whether the notification concerns an interim payment or the payment of the balance.

For the payment of the balance, the Agency must also specify the final amount of the grant determined in accordance with General condition n° 25.

Not applicable for Strand 2 Town Twinning (TT)

5.6 Interest on late payment

If the Agency does not pay within the time limits for payment, the beneficiary is entitled to late-payment interest at the rate applied by the European Central Bank for its main refinancing operations in euros ('the reference rate'), plus three and a half points. The reference rate is the rate in force on the first day of the month in which the time limit for payment expires, as published in the C series of the *Official Journal of the European Union*.

Late-payment interest is not due if the beneficiary is a Member State of the Union (including regional and local government authorities and other public bodies acting in the name of and on behalf of the Member State for the purpose of the Grant decision).

If the Agency suspends the time limit for payment as provided for in General condition n° 24.2 or if it suspends an actual payment as provided for in General condition n° 24.1, these actions may not be considered as cases of late payment.

Late-payment interest covers the period running from the day following the due date for payment, up to and including the date of actual payment as established in Article 5.8. The Agency does not consider payable interest when determining the final amount of grant within the meaning of General condition n° 25.

As an exception to the first subparagraph, if the calculated interest is lower than or equal to EUR 200, it must be paid to the beneficiary only if the beneficiary requests it within two months of receiving late payment.

5.7 Currency for payments

The Agency must make payments in euros.

5.8 Date of payment

Payments by the Agency are considered to have been carried out on the date when they are debited to its account.

For the purpose of poor, partial or late implementation as provided for in General condition n° 25.4, the assessment of the implementation of the project will be performed by the Agency, which will result in the award of a score comprised between 0% and 100%, where 0% is at the bottom of the rating scale (corresponding to the worst quality of implementation) and 100% is at the top (corresponding to the best quality of implementation).
